Re: invitation for your students to enter triple j's One Night Stand Video Competition

Dear Teachers,

triple j is holding our regional One Night Stand concert in Alice Springs on **Saturday 27th March 2010**. triple j TV will be filming the entire concert to air on ABC2 TV. We're looking for 6 keen students to come and film with us. While our film crew will be capturing all the stage action we'd like to have footage of people in the crowd filmed by Alice Springs students – no experience is necessary so it's a great opportunity for your media and arts students!

Competition details:

- Winners will be lent a super lightweight and easy to use **Flip Cam UltraHD Video Camera** (pictured left) to record the One Night Stand Concert from their perspective: their friends, the crowd, the bands.
- triple j will invite the winners to the concert before gates open, to receive their cameras and to be briefed by the director about the footage we are seeking.
- They will be asked to leave either their driver's license, credit card or \$100 cash as security for the camera – when they return the camera it will be returned. There will be a meeting point after the concert where the winners will drop off the cameras.
- The footage will be reviewed and the two people deemed to have captured the best footage will be given back a camera each to keep.
- The crowd-sourced footage will be used in triple j TV's special on the Alice Springs One Night Stand adding to the atmosphere of the event.
- The competition is open to secondary and tertiary Alice Springs students who are 16 – 21 year old at the time on entry. Students of all subjects are welcome to enter– you don't have to be a media or arts student.

To Enter:

Go to <http://www.abc.net.au/triplej/events/onenightstand/10/videocomp.htm> and tell us:

- In 50 words or less **'What do you think you can capture on film at the One Night Stand concert that triple j TV can't?'**
- Name, address, email, age, school

Please note: Entries close 5pm Friday 19th March 2010.

If you could please pass this information on to your students? And if you need more information please contact me grennan.ruby@abc.net.au. We look forward to seeing your entries – good luck!

Kind Regards,
