

Newland Park Community Feedback Form

Newland Park is a community owned piece of land, and as such there has not been any decisions made regarding its rezoning / sale. All-inclusive community feedback will be the basis for Council's final decision regarding future action, and Council encourages you to assist the Mayor and Aldermen in making a decision by completing this Community Feedback Form. If you could please complete this form and return it to Council by COB Wednesday 21 November.

Your household's details

To ensure we only receive one Community Feedback Form per household, please complete this section. Your details will not be released, and your feedback will remain completely confidential.

Last Name: _____

Residential address: _____

People in household (please put number in boxes provided): Adults Children

Part 1

Option A - Rezone section of Newland Park for Gillen Club car park development

Council chose to consider the rezoning and sale of a section of Newland Park adjoining the rear of the Gillen Club due to the increased safety issues being faced in and around the Gillen Club during peak times, when cars park along the busy Milner Road and often onto vacant park land adjacent the Gillen Club. If agreed, this particular land will be rezoned for car parking and the extension of the existing outdoor children's play area only.

In terms of whether Council should sell this land to the Gillen Club, do you (please tick):

Agree Disagree Undecided

Why? _____

Part 2

Option B – Rezone remaining land on Newland Park for sale and development

Upon reviewing the possible rezoning and sale of the strip of land for car parking purposes, Council also considered rezoning the remaining area for development purposes.

(i) In terms of whether Council should rezone any remaining land for development, do you (please tick):

Agree Disagree Undecided

Why? _____

(ii) How do you think the land should or could be rezoned?

At the public meeting held on November 5 the following options for rezoning remaining land for development were put forward by the public. Please note if the land is rezoned it may be done in several different ways, depending on community feedback and preferences. If there is overwhelming feedback for one option only, then Council will ensure it only considers rezoning an appropriate sized area.

Please rank, with 1 being your preferred option, 2 being your secondary choice and so on. If you do not wish Council to consider an option, simply leave it blank:

- Develop and sell off serviced blocks. Proceeds to be utilised to upgrade recreational areas within the Municipality.
- Develop the park for general purpose recreation, with bicycle paths and open areas
- Include an area for a Lifestyle Retirement Village (Over 55's)
- Include an area for a Registered Childcare Facility
- Include an area for a Registered Privately / Cooperatively Run Childcare Facility
- Include an area for a multi-use outdoor recreational / sporting area
- Include an area for a multi-use indoor facility
- Feasibility study to combine childcare / sporting / recreation / car park facilities
- Other (please specify) _____

Part 3

Consider all, part or none of the proposals

Council is aware the community may object to Option A or Option B.

Please indicate whether you feel Council should consider Option A, Option B or both (please tick):

- | | |
|---|--|
| <input type="checkbox"/> Leave Newland Park alone | <input type="checkbox"/> Consider Option A and B inclusively |
| <input type="checkbox"/> Consider Option B only | <input type="checkbox"/> Consider Option A only |

If you have any further information you would like Council to consider, please attach more paper with your thoughts / opinions clearly stated. Please submit this Community Feedback Form to the Alice Springs Town Council in person to the Civic Centre on Todd Street, or via post to PO Box 1071, Alice Springs NT 0871 clearly marked "Newland Park Feedback Form. People who receive this form via post are encouraged to please use the Reply Paid envelope provided.
