

DOG/CAT REGISTRATION IN ALICE SPRINGS

There are **TWO** options for registration.

LIFETIME REGISTRATION OR ANNUAL REGISTRATION

Please read each option carefully to ascertain which of the options is best suited to your dog/cat registration needs.

Pensioners: Aged Pensioner rates do apply but pensioners must provide proof of their Centrelink Pension Number from the Department of Human Services - Age Pension for person's 65 years of age and over. We accept the Carer Payment Pension card if the person is 65 years of age and over. Proof of age is required.

Old Aged Dogs/Cats: Please enquire about fees for dogs/cats 10 years and older. This is only applicable to the **LIFETIME REGISTRATION** option. If you are an Aged Pensioner as described above and your dog/cat is 10 years or older, you can only claim the one discounted fee, not both.

Lifetime Transfer from another Council: This is only applicable if your pet has a microchip implant and you have proof of your pet's previous registration. If your pet does not have a microchip implant then normal fees and procedures apply to obtain a **LIFETIME REGISTRATION** in Alice Springs or you can have the option of the **ANNUAL REGISTRATION**.
