2. LOCAL GOVERNMENT MANAGEMENT CHALLENGE

Council's Management Challenge team participated in the 2017 Australasian Management Challenge Final held in Hobart May 22- 24. The event was won by Brisbane City Council, with City of Greater Dandenong (VIC) second and Mid-Western Regional Council (NSW) third. Although Alice Springs Town Council did not finish in the top three, the team overcame a last minute disruption with the team leader, Clare Fisher, too ill to travel to Hobart, and the team's mentor, Georgina Davison, stepping in to participate and Ashley Field taking over as Team Leader, to win 2 out of 10 tasks.

The Management Challenge was part of the Local Government National Congress 2017, and all Council team members made full use of their complimentary Congress registration by attending the various workshops on offer. This was an excellent professional development opportunity.

I congratulate team members Ashley Field, Danuta Havemann, Rory Kearns, Alice Woods and Jason van Riel, as well as Georgina Davison for her role as mentor and emergency team member. Rae-Ellen Swindells and Clare Fisher are also acknowledged with thanks.

IT IS RECOMMENDED that Council convey its formal congratulations to our team.
