1. DISCUSSION

The Refugee Council of Australia, through Dr Peter Deutschmann, last year approached Council seeking that Alice Springs be declared by Council as a Refugee Welcome Zone. A report went to the June 2014 Ordinary Council Meeting.

The issue was deferred until a response to the proposal from Lhere Artepe, the organisation representing the Traditional Owners of Alice Springs, could be obtained.

To date, no reply to a request for a response has been received.

Mr Rex Mooney
Chief Executive Officer
Alice Springs Town Council

Dear Rex,

Thank you for the opportunity to meet with you and Mayor Damien Ryan on Wednesday 28 June. This provided an excellent opportunity to discuss a proposal that Alice Springs becoming a Refugee Welcome Zone.

Alice Springs has a strong commitment to multiculturalism and a growing population of people drawn from all over the world. This is celebrated in many ways including the continued support of Harmony Day and the growing numbers of Alice Springs residents that become new Australian citizens each year (380 in 2013 alone).

The Refugee Council of Australia (RCOA) is the national peak body for refugees and the organisations and individuals who support them. The Refugee Welcome Zone initiative of RCOA began in June 2002 as part of Refugee Week celebrations. Today, with more than 90 Local Government Areas having declaring themselves Refugee Welcome Zones, the initiative has proven to be a great success in connecting local governments with the issues facing refugees and asylum seekers.

A Refugee Welcome Zone is a Local Government Area that makes a commitment in spirit to welcoming refugees into the community, upholding the human rights of refugees, demonstrating compassion for refugees and enhancing cultural and religious diversity in the community.

This public commitment is also an acknowledgment of the tremendous contributions refugees make to Australian society in many fields as evidenced over a number of years now in Alice Springs.

By Alice Springs Town Council making this Declaration the residents of Alice Springs will be further encouraged in their continuing efforts to support the men, women and children who make the difficult journey to Australia to seek our protection.

I attach further background information provided by the RCOA. This includes a draft copy of the Declaration that may be adopted or adapted by Council for signature. This background document may assist members of Council in preparation for the meeting on 16 June.

Thank you for the opportunity to present this proposal to the Council meeting in Committee on Monday 16 June, which coincidentally falls during Refugee Week.

Yours Sincerely,

(On behalf of concerned and interested residents of Alice Springs)
Who is the Refugee Council of Australia?

The Refugee Council of Australia (RCOA) is the national peak body for refugees and the organisations and individuals who support them. RCOA promotes the adoption of flexible, humane and constructive policies towards refugees and asylum seekers through conducting policy analysis, research, advocacy and public education on refugee issues.

What is a Refugee Welcome Zone?

A Refugee Welcome Zone is a Local Government Area which has made a commitment in spirit to welcoming refugees into the community, upholding the human rights of refugees, demonstrating compassion for refugees and enhancing cultural and religious diversity in the community.

This public commitment is also an acknowledgment of the tremendous contributions refugees have made to Australian society in the fields of medicine, science, engineering, sport, education and the arts. By making this Declaration it is hoped that local government will be encouraged in their continuing efforts to support the men, women and children who make the difficult journey to Australia to seek our protection.

The Refugee Welcome Zone initiative began in June 2002 as part of Refugee Week celebrations. At the time, 15 local Councils in Victoria, New South Wales and South Australia were declared Refugee Welcome Zones. Today, with more than 90 Local Government Areas having declaring themselves Refugee Welcome Zones, the initiative has proven to be a great success in connecting local governments with the issues facing refugees and asylum seekers.

What is the process for becoming a Refugee Welcome Zone?

The process for becoming a Refugee Welcome Zone is very straightforward. It simply involves the Council signing the Refugee Welcome Zone Declaration, which is “a commitment in Spirit to welcoming refugees into our community, upholding the human rights of refugees, demonstrating compassion for refugees and enhancing cultural and religious diversity in our community”. An example of the Declaration is included at the end of this document.

To mark the occasion of becoming a Refugee Welcome Zone, many Councils choose to hold public signing ceremonies. These provide an opportunity to highlight the initiative and acknowledge the work of local groups and individuals that support refugees and asylum seekers. If possible, a representative from the Refugee Council of Australia will attend the ceremony to present a Certificate of Appreciation.

Why become a Refugee Welcome Zone?

Local Government has historically played an important role in assisting refugee settlement and promoting community harmony. Since Federation in 1901, Australia has become home to over 800,000 refugees and we have a proud history of settling refugees from all over the world who have gone on to make an enormous contribution to our economic, social and cultural life.
Becoming a Refugee Welcome Zone is a way to continue this proud tradition of supporting the settlement of refugees.

Signing the Declaration can also promote harmony, social cohesion and respect for human rights in your local community. It is a great way to demonstrate support for refugees and take a strong stand against racism and discrimination. It can help to raise awareness about the issues affecting refugees, foster a culture of mutual respect and promote an appreciation of cultural diversity.

Becoming a Refugee Welcome Zone can also encourage the development of a more coordinated approach to supporting refugee settlement. It can motivate Local Government and local organisations and support groups to work together more effectively so as to improve settlement outcomes for refugees.

What are the obligations and responsibilities of Refugee Welcome Zones?

The Refugee Welcome Zone Declaration does not confer any formal obligations and Refugee Welcome Zones are not required to uphold any statutory responsibilities or financial commitments. The signing of the Declaration is simply a way of demonstrating broad support for the principles it contains. Any actions or activities undertaken by Refugee Welcome Zones to implement the Declaration are voluntary.

However, while signatories to the Refugee Welcome Zone Declaration are not required to undertake any specific activities, any initiatives which help to create a welcoming atmosphere and assist the settlement of refugees and their communities are welcomed and encouraged.

How can Refugee Welcome Zones support refugees?

There are many simple things that your Local Government Area can do to welcome refugees to your community:

• Develop a Local Government policy relating to refugees and asylum seekers or review existing policies.
• Offer funding for community-based projects which support the settlement of refugees.
• Hold community picnics and gatherings to encourage families from different backgrounds and community organisations to meet.
• Build partnerships and work collaboratively with local community groups and service providers to enhance support for refugees settling in your area.
• Organise an event during Refugee Week, such as a street fair of festival.
• Host a community meeting with newly arrived refugees and guest speakers from refugee support organisations to find out how your Council can best support refugees in your community.
• Hold a multicultural film festival.
• Coordinate with local libraries in the area to develop an English tutoring program for newly arrived refugees.
• Liaise with the Red Cross to run information sessions for newly arrived refugees who have been separated from family members and relatives.
• Hold a public forum to enable guest speakers from refugee backgrounds to share their stories.
