

ALICE SPRINGS MEMORIAL (formerly GENERAL) CEMETERY INDEX TO BURIALS

This list has been prepared to help you find family and friends.

The burials cover the period from 1933 and many details are missing. For example, after the A to Z listing, there are another 1200 entries for which we have no surname.

We hope families and the wider community can help us add names and other information. Please contact us at astc@astc.nt.gov.au.
