Introduction

Developed in accordance with the *Local Government Act 2019*, this Municipal Plan outlines Council's strategic actions and the indicators to be used in measuring our success in the year ahead.

The Municipal Plan 2024/25 (Municipal Plan) aligns to Council's strategic direction, guided by the Alice Springs Town Council's strategic plan, Alice Springs Liveability & Sustainability 2030.

The focus areas of the Municipal Plan are:

Liveability: Through planning for upgraded and new facilities, Council will bring Alice Springs' unique character and landscape to life while activating key spaces across the municipality.

Safety: Council is committed to working with all levels of government as well as the community and individuals, to ensure Alice Springs becomes a safer place to live.

Environment: Council recognises its role in Climate Action and preserving the liveability of the town. We remain dedicated to reducing Council's environmental footprint and contributing to a sustainable future for generations to come.

Economy: Council will proactively pursue opportunities to support businesses in Alice Springs and encourage the creativity and ingenuity that makes our region unique.

Governance & Civic: Council commits to demonstrating our rigorous and thoughtful decision-making process at every available opportunity. We commit to true and genuine consultation with the residents of Alice Springs to create a vibrant and liveable town.

This municipal plan also contains the Annual Budget and the rates, fees and charges.

Australia Day Citizenship Ceremonies, January 2024

Mayor's Message

I am thrilled to present to you the Alice Springs Town Council Municipal Plan and Budget for the year 2024/25. This document reflects our commitment to fostering a vibrant and inclusive community while ensuring responsible fiscal management.

Our town continues to evolve, and this year, our focus remains on enhancing liveability for all residents. One of the highlights of this year's plan is the development of the Regional Skate and Play Precinct at Newland Park. This ambitious project will provide a dynamic space where our community can gather, play, and connect. With updated skate facilities, modern play structures, and ample green spaces, the precinct will be a centrepiece of recreational activity for generations to come. We believe investing in such initiatives not only improves the quality of life for our residents but also strengthens the fabric of our community.

In addition to the Regional Skate and Play Precinct, this budget highlights our commitment to maintaining essential services and infrastructure. From road maintenance to waste management, we have allocated resources prudently to ensure that our town continues to function smoothly and efficiently. We understand the importance of fiscal responsibility, and every dollar spent has been carefully considered to maximise its impact.

Community engagement remains a cornerstone of our governance approach. We value your input and aim to reflect the diverse needs and aspirations of our residents in our plans and policies. Your feedback has been instrumental in shaping this year's budget, and we will continue to seek your input as we work together to build a better Alice Springs.

I am immensely proud of the progress we have made thus far, but I am also mindful of the challenges that lie ahead. With your support and collaboration, I am confident that we can overcome these challenges and create a brighter future for all who call Alice Springs home.

A handwritten signature in black ink, appearing to read 'Matt Paterson'.

Matt Paterson
Mayor

CEO's Message

The 2024/25 Alice Springs Town Council Municipal Plan and Budget is one that is forward thinking, showing our ambitious ideas to help our community live up to its potential.

It is highlighted by exciting projects in the infrastructure space that improve amenity and robust programs that increase liveability and enhance our core services to improve the everyday lives of residents.

Of course, none of these advances would be possible without a dedicated and talented team sitting behind them. With more than 200 team members across our facilities, these are the people that make a positive impact across the community each and every day.

Our Elected Members have set an exciting strategic direction for our organisation, and it is the hard work of our team members that puts that plan into action. Whether that's our highly visible Community Development, Aquatic Centre and Library teams putting on programs and events, or our Ranger Unit upholding our by-laws and looking after the town's amenity.

Or our outstanding Technical Services team planning and delivering new or improved infrastructure, our Depot Crew upgrading parks, maintaining roads and setting up events, and our Regional Waste Management Facility team putting in a mountain of work to improve our sustainability targets.

Everyone plays an important role, including our support teams who keep the wheels in motion and on track. They manage our governance and risk, set and monitor our financial performance, recruit and onboard new team members, look after our wellbeing and drive cultural improvement initiatives, or enable us to work smarter and more productively through leveraging technology and ensuring our organisation runs efficiently.

Each arm of Council has a unique role to play in connecting our community.

This budget is transformational and is truly exciting for our entire town. I want to thank each and every Council team member for their ongoing dedication to the community. I would also like to thank Mayor Matt Paterson and the 14th Council for their strong stewardship of our town.

Andrew Wilsmore
Chief Executive Officer

Legislative Compliance

Local governments in the Northern Territory are required to undertake planning and reporting activities in accordance with the *Local Government Act 2019* (the Act) and the *Local Government (General) Regulations 2021*.

Each council must have a plan for its area and this is the Municipal Plan for the Alice Springs Town Council, as per section 33 (1) of the Act.

As per section 35 of the Act, Council:

- released the draft Municipal Plan 2024/25 after approval was given at the Special Meeting on 21 May 2024;
- made available for public consultation from 23 May 2024 until 12 June 2024;
- reviewed submissions incorporated appropriate changes into the final plan; and
- adopted its 2024/25 Municipal Plan at the 25 June 2024 Ordinary Council Meeting.

Relevant Plans

Section 34 of the Act states that the municipal

plan must include a reference to any long term, community or strategic plan adopted by the Council that is relevant to the period to which the plan relates. These can be found on our website by following the links below:

- [Alice Springs Liveability and Sustainability 2030](#)
- [Alice Springs Town Council Climate and Environment Policy](#)
- [Alice Springs Town Council Public Art Masterplan 2020-2030](#)
- [Alice Springs Town Council Sports Facilities Master Plan 2020](#)
- [Alice Springs Town Council Long Term Financial Plan 2024/25 - 2027/28](#)
- [Alice Springs Town Council Multicultural Action Plan 2023-2026](#)

Availability of the Municipal Plan

Alice Springs Town Council's Municipal Plan 2024/25 is available, as per section 33 of the Act:

- online at www.alicesprings.nt.gov.au
- by emailing astc@astc.nt.gov.au
- for inspection or in print, on request, at the Civic Centre at 93 Todd Street, Alice Springs

Our Elected Representatives

Council Structure

The Council sets the strategic and policy direction for the organisation, monitors the performance of its functions, and has the responsibility of financial allocation and resourcing. Their role is to represent the people of Alice Springs providing leadership and guidance to the community. The monthly Ordinary Council Meetings are open to the public who may sit in the public gallery or watch the meeting streamed live.

Council Representatives

There are nine Elected Members who are directly elected to represent the community of Alice Springs. They have specific powers, responsibilities and duties as set out in the *Local Government Act 2019*. The Mayor is elected during the local government elections held every four years and the Deputy Mayor is elected by the Council every 12 months as per Council policy.

Role of the Mayor and Deputy Mayor

The Mayor is elected directly to the office. As the principal member of the Alice Springs Town Council, their role:

- Chairs the meetings of Council
- Speaks on behalf of Council and as Council's principal representative
- Liaises with the Chief Executive Officer (CEO) about the performance of the Council's and CEO's functions, and leads the Council to undertake regular review of the performance of the CEO
- Promotes behaviour among the members of the Council that meets the standards set out in the code of conduct
- Carries out the civic and ceremonial functions required of this position.

The Deputy Mayor is the deputy principal member of Council whose role is to carry out the Mayor's functions when the Mayor delegates the functions to the Deputy Mayor, is absent from official duties because of illness or another pressing reason, or is on leave.

The Deputy Mayor is elected each year to the office by the Councillors.

Role of Councillors

The *Local Government Act 2019* states that the role of a member of a council is:

- to represent the interests of all residents and ratepayers of the council area
- to provide leadership and guidance
- to facilitate communication between the members of the council's constituency and the council
- to be properly informed to enable participation in the deliberations of the council and its community activities
- to ensure, as far as practicable, that the council acts honestly, efficiently and appropriately in carrying out its statutory responsibilities
- to ensure that council resources are used prudently and solely in the public interest
- to actively monitor the financial affairs of the council.
- The Mayor and Councillors are bound by the Council's Code of Conduct.

Committees, Advisory Groups and Representation of External Bodies

To assist with risk management and decision-making, the Council has two advisory committees that make recommendations about any matters the committee believes require the Council's consideration as a result of the committee's functions.

Risk Management and Audit Committee

The Risk Management and Audit Committee (RMAC) is an advisory committee with an objective to provide independent assurance and advice regarding the integrity of Council's financial management and risk, internal control and compliance frameworks. RMAC continues to be independently chaired by Mr Bryan Whitefield, and supported by the Chief Executive Officer and senior ASTC officers. A second external independent member will bring diversity, improving quality assurance.

The committee meets four times per year and provides oversight of the following:

- Annual financial statements
- Compliance review
- External audit reporting
- Internal audit assurance
- Risk management.

Sports Facilities Advisory Committee

The Sports Facilities Advisory Committee (SFAC) provides advice on the provision, appropriate development and management of ASTC's sporting facilities within our community.

VACANCY

Elected Members Allowances

Changes in legislation have affected the allowances paid to Elected Members. The Northern Territory Remuneration Tribunal Determination No. 1 of 2024: Determination of Allowances for Members of Local Government Councils (the Determination) was made on 29 January 2024 and tabled in the Northern Territory Legislative Assembly on 14 February 2024.

As per the Determination, Elected Members are entitled to a range of allowances to assist them in carrying out their responsibilities which differ from previous years. The new determined values of the allowances come into effect for the 2024/25 financial year and set out the claimable allowance of the Councillors' Allowance, the Deputy Principal Members Additional Allowance, the Principal Members Additional Allowance, the maximum claimable value of the Extra Meeting/ Activity Allowance, the Professional Development Allowance, Vehicle Allowance, Provision of Motor Vehicle or the Motor Vehicle Allowance, and Travel Allowance.

The Deputy Mayor and Councillors are entitled to claim an Extra Meeting Allowance of up to a maximum of \$10,000 per financial year. The claimable allowance is \$200 for meetings up to 2 hours, \$300 for meetings between 2 and 4 hours, and \$500 (maximum payable for any one day) for meetings more than 4 hours in duration.

Councillors are eligible to claim reimbursement of childcare expenses in relation to expenses paid.

Details of further entitlements are outlined in council policy Elected Member Allowances and Expenses and Credit Card Policy (Mayor and CEO).

The below amounts indicate the maximum allowances payable under legislation and are accounted for in Council's 2024/25 budget:

Allowance Type	Amount \$		
	Mayor	Deputy Mayor	Councillor
Councillors' Allowance	22,550	22,550	22,550
Additional Allowance	89,000	16,500	-
Professional Development Allowance	4,000	4,000	4,000
Maximum Extra Meeting Allowance	-	10,000	10,000
Motor Vehicle Allowance	25,000		

14th Council of Alice Springs

Our Town, Our History

Apmere Mparntwe has a history which was born in the Altyerre (dreamtime). Athereyurre (Telegraph Station) was where the Central Arrernte people survived for 1000's of years because of the source of water reliability. Athereyurre provided this necessity to the Central Arrernte people.

The Mparntwe people of the Central Arrernte tribe lived in this area because of the availability of water and all types of foods this particular area offered, including amerne (vegetables) and akure (meat).

Landmarks such as Ntaripe (Heavitree Gap), Akeyellerre (Billy Goat Hill), Untyeyetwelye (Anzac Hill), Athereyurre (Telegraph Station) and surrounding hill lines all have an Aboriginal presence when looking through Central Arrernte Mparntwe eyes.

They are hidden but not invisible and are very present in the moment about a past history from the Altyerre (dreamtime) of beetles, caterpillars and dogs fighting all travelling in all directions leaving these monumental landmarks in the wake for all to view.

The original town of Stuart, which is also known as the Telegraph Station, was the original location of Alice Springs. The location for the Overlander Telegraph Station was perfect when making a Telegraph Line through the centre of Australia that connected the South to North to "get a message!"

The township started under the name of Stuart; between 1871 and 1933 Alice Springs was simply the name of a waterhole adjacent to the Telegraph Station. It was named after Alice Todd, the wife of Sir Charles Todd, who was the driving force for constructing the Overland Telegraph Line.

Library Archives NT. (1982). Camels. Boerner Collection

The purpose of the telegraph was to assist communication from the north to the south of Australia. Without it, messages could only be delivered by the Afghan cameleers and would take months to be received.

As the town became more connected, fossicking miners looking for gold, mica and tungsten, as well as pastoralists, were drawn to the vast land and great opportunity that was available.

With the harsh and arid environment at the time, the journey from Alice Springs to Arltunga was accessible only by camel. Afghan cameleers forged a vital place in the town's history, driving their camel trains through the unforgiving desert climate. Their legacy is proudly evident in the town today with many local families being direct descendants of those early pioneers.

In 1933 the town took on the name of Alice Springs, and less than ten years later, during World War II, it became a very active base for military personnel. It's estimated around 8,000 soldiers were stationed here and about 200,000 visited.

During the 1960s Alice Springs again became an important defence location with the development of the US and Australian Pine Gap joint defence satellite monitoring base, home to about 700 workers from both countries.

In more modern times, life in Alice Springs has boomed with an increase in tourism and the introduction of large events such as the Camel Cup, the Henley on Todd, the Desert Song Festival, Red CentreNATS, Desert Mob and Partjima.

Today, Alice Springs is a home to people from many countries and cultures, with an Aboriginal population of 20.6% and 26.2% of residents speaking a language other than English at home.

This plan for Alice Springs was developed for the benefit of all residents, to ensure a better future for everyone in our town.

Alice Springs Today

Our People

Population: 29,213 (2023 ABS ERP)

Target Population Growth: 3.5%

Median Age: 34

Population density: 88.97 persons per square km

Number of dwellings: 11,686

Average household size: 2.51

3. Education and Training (1,295)

Vision for the Town of Alice Springs

A brighter future, a prosperous and cohesive community. We aspire to be modern, inclusive and innovative, bridging divides and forging new paths.

We want to bring our community together, to celebrate this unique place of gathering where the world meets the oldest living culture on Earth.

Our Mission

We will be a smart and efficient Council. We will deliver our services to the Community whilst constantly improving our practices and procedures to achieve our vision. We will always be accountable to the Community whom we serve.

Our Values

Leadership: Our culture, values and accountability are present throughout the organisation.

Collaboration: We work in partnership and are better together.

Trust: Nothing is more important than the trust between the community and ourselves.

Respect: We respect people and genuinely care.

Authenticity: What we do rings true and we do what we say.

Inclusion: We value all people to create a more equal world.

Commitment: We consistently strive towards our mission.

Determination: We endeavour to continuously improve.

Strategic Framework

Integrated Planning and Reporting Framework

The Alice Springs Town Council’s Integrated Planning and Reporting Framework guides the planning process to deliver accountable and measurable links between community aspirations, financial and resource sustainability including effective asset management and practical service delivery.

The strategic and planning documents provide transparency to the community on how Council

intends to achieve the strategic goals and supports accountability by reporting Council’s performance on a regular basis.

The Municipal Plan details the intended operational delivery of services, programs, projects and activities on a yearly basis and includes the Annual Budget. The outcomes of operational activities will be used to track and measure Council’s performance against the deliverables of the Strategic Plan and are mapped to the strategic Pillars. These measures of success are set out in this plan and will be regularly reported on in Council meetings as quarterly progress reports. The successful delivery of the objectives of this plan is reported in the Annual Report as per legislative requirements.

The Integrated Planning and Reporting Framework is outlined below.

Diagram 1. Alice Springs Town Council Integrated Planning and Reporting Framework

Major Infrastructure Highlights

CBD Regeneration

Council are delivering the Regenerating the Alice Town Centre project, developing plans to improve the liveability of our CBD. As part of this project, we have allocated \$2 million in 2024/25 as part of a \$20 million investment over the next three years.*

Regional Skate and Play Precinct

Council has allocated \$5.65 million over two years to deliver a destination-worthy precinct for families and young people to enjoy the same amenities found in capital cities.*

Charles Darwin University (CDU) Paul Fitzsimons Oval

To help improve facilities and deliver a much-needed additional cricket and football field, \$600,000 in 2024/25 has been allocated to improving facilities at Paul Fitzsimons Oval with a further \$4.4 million to come in the following years.*

**Subject to grant funding*

Concept Design: Community Space (Lot 73), Draft CBD Revitalisation, Regenerating Alice Town Centre Community Consultation

Jim McConville Oval - Lighting

To allow sports to play and train during the cool of night and escape the daytime heat, \$2.2 million has been allocated to lights at Jim McConville Oval.*

Regional Waste Management Facility - Capital Improvements & Plant

Improving sustainability and extending the lifespan of our Regional Waste Management Facility is vital for our future generations. To that end, we have allocated \$1.09 million to the renewal of the waste facility and for plant and machinery.*

Araluen Park Upgrades

Council have significantly invested in creating brand new parks, but we're also giving our existing parks a face lift. Frank McEllister Community Park is in line for a \$908,000 refresh, with new and fun play equipment for kids to learn and play.*

Where your money is to be spent

The indicative spend for every \$100

Council Manages

3	8	4	1	1
Cemeteries	Netball courts	Swimming pools	Whirlpool	Indoor spa
2,735	10+	50+		
Solar panels	Public toilets	Water bubblers		

Organisational Structure

Alice Springs Town Council is building a constructive culture that encourages and supports its diverse and talented workforce, upskilling with a generous training provision and supported by excellent employment terms and conditions in our Enterprise Agreement 2022.

As per the *Local Government Act 2019*, Council delegates the responsibility of the day-to-day operations of Council to the Chief Executive Officer (CEO) who works closely with the Elected Members to ensure Council strategic actions are achieved.

The CEO is supported in the overall administration of Council functions by the Office of the CEO and three Directors.

The three Directorates are: Community Development, Finance & Governance and Technical Services.

Council structures its workforce to be productive, enhance the delivery of services to the community and to gain efficiencies within internal collaborations.

Our Service Delivery

Service delivery is a core function of Alice Springs Town Council and we are committed to providing value to the community. We care about our town.

A significant proportion of Council’s resources are dedicated to delivering services, programs and events. Council maintains and renews the amenity of community facilities to enhance the safety, health and comfort for the users, and combined with programs and activities, enliven public spaces and activate our infrastructure and facilities that are impressive for a remote town.

Function	Service, Program or Activity

<i>Waste Services</i>	Landfill management Residential, Commercial and Recreational Spaces Rubbish Collection Recycling services

Pillar One: Liveability

Alice Springs as a region has a great deal of opportunity and potential. Council is committed to collaborating with key stakeholders to ensure our town fulfils this potential. Council wants our town to be an example of remote living success, creating a thriving and accessible town to live, work, study and play. Through planning for upgraded and new facilities, Council will bring Alice Springs' unique character and landscape to life while activating key spaces across the municipality. This will ultimately enrich the quality of life for Central Australian residents and visitors.

Capital Investment

- Regional Skate Play Precinct \$5.8 million
- Jim McConville Oval Lighting \$2.2 million
- Refresh of Aquatic & Leisure Centre Capital including the Air Handling Unit, Heat Pump, Kiosk/Reception area and retiling of Leisure Pool \$1.505 million
- Araluen Park Upgrade - Masterplan \$908,000
- CDU Paul Fitzsimons Oval Upgrade (Phase 1) design \$600,000
- Park Upgrades including continued renewal of shade structures \$600,000
- Public Art installations (including Aboriginal art and roundabouts) \$449,610
- Flynn Drive Lights \$130,000
- Replacement of community events equipment \$50,000
- Parks and Reserves Grandstands \$30,000

Measures of success

Through connecting as a community, we are able to bring Alice Springs' unique character to life for our residents and visitors. We work to protect, strengthen and improve upon our services and amenities and help the people of Alice Springs lead rich, fulfilling and healthy lives.

2024/25 Objectives	Actions
Create and support meaningful opportunities for the community to come together	• Deliver five night markets • Deliver five pop up events • Develop and publish a monthly events calendar • Increase activation of the CBD through continued collaboration with Activate Alice • Continue to administer a community grants/sponsorship program, including bi-annual information sessions • Assist in the setup and implementation of community events
Build community engagement and improve perceptions of Council activities	• Improve the design and functionality of the Events and Community Calendar • Develop a proactive communications program to support the events calendar and Council activities • Expand communications to highlight Council activities and events
Connect minority and marginalised groups to the community	• Deliver all actions in the Multicultural Action Plan within agreed timeframes • Via the Sports Inclusion Officer, work with sporting facilities and clubs to increase accessibility for people with lived experience of disability and their carers
Showcase 'What's unique about Alice'	• Review communication materials and engagement programs to celebrate indigenous culture, history, multiculturalism, and natural aspects of Alice Springs • Continue to deliver the Public Art Masterplan within agreed timeframes • Investigate the delivery of an Aboriginal statue/monument to Arrernte culture • Oversee delivery of decorative roller-shutters within the CBD • Develop a concept of supporting informative plaques, showcasing key locations related to the multiculturalism, indigenous culture, history and natural aspects of Alice Spring and create maps people can follow to see them • Leverage and coordinate content with Northern Territory Government and the Australian Government that can collectively be used across communication and marketing channels • Review signage to natural wonders in and around Alice Springs and improve or create as needed

2024/25 Objectives	Actions
Provide for community physical development needs and recreational activities	• Complete resurfacing of the Tennis Courts • Complete Regional Skate & Play Precinct Design and Tender, and commence construction • Consult on Alice Springs Parks Plan • Complete design and tender for Araluen Park upgrade • Upgrade three parks • Upgrade shade to three parks • Partner with the Northern Territory Government to install lights at Jim McConville Oval • Complete one accessibility upgrade to a Council owned facility • Complete design for upgrades on the Paul Fitzsimons Oval • Complete Alice Springs Aquatic & Leisure Centre Adventure Playground • Undertake plant refurbishment at Alice Springs Aquatic & Leisure Centre
Implement programs that help deliver rich, fulfilling and healthy lives	• Implement regular term and school holiday programs for children and young people • Further investigate and implement new programs at the Alice Springs Aquatic and Leisure Centre, including the operationalisation of the new Outdoor Playground • Undertake a review of programs offered within the Alice Springs Public Library, including targeted community engagement with residents and other interested stakeholders

Pillar Two: Safety

Alice Springs is a unique and prosperous place to live and work. This relies heavily on ongoing considerations and support around community safety. Council understands the need for residents and visitors to feel safe and secure in the town while experiencing all that Alice Springs has to offer. We are committed to working with all levels of government, as well as the community and individuals, to ensure Alice Springs becomes a safer place to live.

Capital Investment

- Footpath program \$1.1 million
- Road reseal program \$681,000

Measures of success

As part of our role as a Council, we are committed to helping businesses operate safely and confidently, reducing crime and anti-social behaviour, protecting property, mitigating the factors that lead to domestic violence and ensure public spaces, including travel routes, are safe for our community and visitors to use.

2024/25 Objectives	Actions
Help repair relationships between young people, people who have been impacted by crime and the community	• Continue and strengthen existing advocacy • Continue input and participation in relevant networks and committees to lead and support partners' diversion programs
Support businesses to take a more active role in their security	• Continue to support traders within the CBD through the provision of brokerage funding
Protect the wellbeing of the local community	• Advocate to provide incentives for operators to target harden their infrastructure • Advocate for ride-sharing to supplement transport options • Advocate for a review and trial of a Canberra-style "Nightrider" service • Undertake Community education in relation to responsible pet ownership, including free microchipping event for residents • Improve access to the CBD by maintaining parking enforcement • Improve visual amenity by maintaining trolley enforcement (collections and fines) • Improve visual amenity by maintaining litter enforcement (fines) • Complete CCTV, sports carpark lighting and fencing improvements
Prevent new and reduce existing disaster risks	• Stand up disaster response committee to coordinate resources and determine ways response can be improved • Update Council's Disaster Recovery Plan • Undertake flood mitigation works including removing sand from river and clearing storm water drains
Improve roads and cycleways	• Complete road reseal program • Review adequacy of cycle signage

2024/25 Objectives	Actions
Improve swim safety in the community	• Improve water safety by offering targeted programs for identified cohorts including parents, migrants and people with lived disability
Continue to support and undertake initiatives that seek to decrease gender-based violence and improve gender equality	• Participate in 16 days of activism • Review sporting clubs' licencing and signage arrangements to include respectful relationships and violence and aggression standards

Pillar Three: Environment

Alice Springs Town Council recognises its role in Climate Action and preserving the liveability of the town. We remain dedicated to reducing Council's environmental footprint and contributing to a sustainable future for generations to come. Alice Springs is a destination made by our unique composition of people and place. The Alice Springs' community is one that cares deeply about the environment and its response to Climate Change. Council shares this commitment to change and will develop ways to help Alice Springs become a more sustainable town, including heat mitigation, water and greening strategies.

Capital Investment

- Greening Strategy (including Parks and Trees) \$83,350

Youth recycled art workshop @ Central Craft, March 2024

Measures of success

From an environmental standpoint, we are able to help mitigate the effects of climate change, reduce waste, and protect Alice Springs' natural habitat and resources by working meaningfully in all action areas.

2024/25 Objectives	Actions
Improve land, air, water quality and reduce emissions	• Deliver efficient and sustainable rubbish collection • Review waste charges at the Regional Waste Management Facility to incentivise against illegal dumping • Continue to support Alice Springs Landcare and community gardens • Undertake National Tree day giveaway • Continue to implement Climate and Environment Implementation Plan • Develop ASTC Water Strategy • Implement Greening Strategy Plan • Deliver Green living subsidies • Commence a program to accept solar panels for recycling at Regional Waste Management Facility • Deliver food security workshops • Work to achieve outcomes of the Lhere Mparntwe Management Strategy
Reduce the damage caused by pests and feral animals	• Investigate and trial new programs to decrease the number of feral animals within Alice Springs • Advocate for funding and partnership for the management of Buffel within Alice Springs
Maintain council assets and support the community to reduce the impact of disasters and emergency events	• Amplify messages to residents and businesses to help them prepare and prevent incidents
Minimise the need for additional landfill space and improve recycling	• Develop kerbside recycling business case • Continue to work with partners on circular economy

Pillar Four: Economy

Alice Springs at its best is a vibrant place that is a space for economic and social excellence. Council will proactively pursue opportunities to support local business owners in Alice Springs and encourage the creativity and ingenuity that makes our region unique.

There will also be a strong focus on collaborating with all forums of government as well as industry bodies wherever possible to achieve positive outcomes for all business owners and potential business owners in our community.

Investment in Development

- CBD regenerating detailed design \$2 million
- \$200,000 for an Economic Development Plan

Measures of success

We are committed to helping grow and diversify Alice Springs' economy by continuing to support local business to help them thrive and by working to boost and sustain tourism by partnering with more local businesses and tourism operators.

2024/25 Objectives	Actions
Regenerate the CBD	• Develop regional partnerships precincts application • Commence the Regenerating the Alice Town Centre detailed design
Support existing businesses to be successful	• Review and update procurement policy to strengthen focus on 'buy local' • Undertake a locally targeted procurement engagement program based on upcoming projects to prepare local businesses for upcoming opportunities • Support and help drive the Central Australia Regional Economic Growth Plan
Improve Alice Springs brand and narrative	• Advocate for development of an Alice Springs brand / tourist brand • Investigate economic development opportunities of Council Assets
Increase accommodation numbers, variety and quality	• Advocate to reduce red tape and barriers so accommodation providers are incentivised to invest in the town • Review and advocate for the development of a tourism investment prospectus • Encourage providers to create and promote tours and more holistic experiences.
Improve accessibility to town	• Understand barriers to international flights from Alice Springs airport • Continue involvement in and advocacy for delivering of 'Outback Way' and sealing of the Mereenie Loop • Explore social media opportunities with "drive tourism" influencers
Support and encourage "Indigenous Tourism"	• Investigate opportunities in the Council Reconciliation Action Plan (RAP) to support and encourage "Indigenous Tourism" • Investigate opportunities in the Council Reconciliation Action Plan (RAP) that encourage Indigenous businesses to participate in business accelerators and pop ups

Pillar Five:

Governance & Civic

Alice Springs Town Council commits to demonstrating our rigorous and thoughtful decision making process at every available opportunity. Council recognises the absolute need of operating in an ethical and transparent manner at all times. Alice Springs residents expect a local government they trust and Council will strive to meet those expectations with every decision. Council commits to true and genuine consultation with residents of Alice Springs to create a vibrant and liveable town.

Capital Investment

- Regional Waste Management Facility capital and plant renewals \$1.09 million
- ICT networking and computer infrastructure \$511,300
- Replacement of operational plant and vehicles \$250,000
- ICT Works Depot program \$105,000
- Demolition of ASTA Tennis House \$70,000
- Upgrades to Works Depot fire alarms \$50,000
- Refresh for Civic Centre \$11,275

Measures of success

One of our objectives as a Council is to ensure we are delivering high quality outcomes based on what our community needs, using the Council budget and resources effectively and sustainably, focus on working within a strong 'one team' culture, and being a trusted leader within the Alice Springs community.

2024/25 Objectives	Actions
Undertake effective two-way communications with the community	• Establish consistent consultation processes and standards within projects • Develop a community engagement strategy that advertises Council wins and value to the community • Develop a framework for Council Projects • Undertake an annual community survey that is instructive and can be used as a pulse check over time • Regularly inform the community on Council initiatives and value provided
Develop a sustainable financial model	• Develop critical assessment criteria for grant submissions based on ROI, whole life costs, or other appropriate measures • Undertake a commercial review of property owned or controlled by Alice Springs Town Council and consider other revenue opportunities • Undertake an analysis of fees and charges based on cost of providing relevant services • Develop the Four-Year Long-term Financial Plan into a Ten-Year Financial Outlook
Plan effectively for asset acquisition, operation and maintenance, renewal and disposal	• Complete fire alarm upgrades to Council Depot • Complete stage one of Council's Asset Management Plan • Complete a new Library concept design and costing • Demolish dilapidated house at the Tennis Courts • Purchase new plant at Regional Waste Management Facility • Complete new kiosk and reception design for Alice Springs Aquatic & Leisure Centre • Complete new facilities upgrades at Council Depot • Complete fire alarm upgrades to Council Depot
Make Council more relatable, memorable, and engaging to the community	• Provide a defined high level of customer service focussing on effective communication, responsiveness and consistency • Review and complete brand positioning, assets and narrative strategy • Develop and begin to use key messages • Develop proactive communications program

2024/25 Objectives	Actions
Establish systems to achieve good governance and improve operational efficiency	• Review and update Council and Administrative Policies prioritised by risk profile • Deliver solutions to improve Council processes • Deliver ICT networking and computer infrastructure program upgrades • Improve ICT infrastructure, workflow improvements and user experience at Works Depot • Improve connectivity and mobility of team members • Update the Electronic Document and Records Management System (EDRMS) • Better utilisation of technology to remove paperwork and duplication
Support employment pathways and deliver effective training and support that leads to quality outcomes	• Develop a training framework by position and against strategic objectives and cultural expectations • Develop a structured mentoring framework and performance expectations • Develop a team member brand/narrative • Improve materials and processes for onboarding new team members • Implement Wellbeing initiatives • Implement Work Health and Safety Management System • Investigate and support trainee and apprentice opportunities
Improve team member job Significance	• Develop an internal communications strategy • Continually improve the employee rewards and recognition program • Include team members within strategic decision-making processes • Develop a Workforce Plan • Develop and implement a staff performance framework • Continue the culture survey to track progress

Australia Day Citizenship Ceremonies, 2024

Long-Term Financial Planning

Section 200 of the *Local Government Act 2019* requires Councils to prepare and keep up-to-date a Long-Term Financial Plan (LTFP) for a period of at least four financial years. An LTFP is a financial model and a key planning document for driving financial sustainability. It expresses in financial terms the activities the Council proposes to undertake in order to achieve its goals and objectives in a financially sustainable manner, and informs significant decisions about resource allocation.

Being financially sustainable means that Council has the ability to fund the following over the short, medium and long-term:

- Consistent delivery of services to an acceptable standard
- New infrastructure to meet reasonable community needs and expectations, and also cater for current and future growth of the town
- Renew and maintain infrastructure such as roads, buildings, stormwater and playgrounds in order to maintain current levels of service

Key benefits arising from having an LTFP in place include:

- Improves understanding of financial sustainability;
- Steers financial management and decision making;
- Increases commitment to maintaining asset base and plan pro-actively for major projects;
- Manages expectations of what can be achieved, within context and financial limits; and
- Improves commitment to aligning resources in delivering the goals and objectives set out in Alice Springs Liveability and Sustainability 2030, and other strategies and plans.

The Long-Term Financial Plan highlights how Council is budgeting and planning for a financially sustainable future. The key focus should be on operating performance, liquidity and asset management.

Four-Year Long-Term Financial Plan Assumptions

Key assumptions included in the Long-Term Financial Plan 2024/25 to 2027/28 are as follows:

1. CPI of 4% in 2024/25 and 3% in 2025/26 and thereafter
2. Rate rise of 4.7% per annum
3. Fees & Charges increase by 5% per annum generally, with exceptions to be approved by Council
4. Investment earnings of 4% in 2024/25, 3% in 2025/26 and thereafter
5. Superannuation to increase by 0.5% each year to maximum of 12% as per legislation
6. General labour increase of 3% as per Enterprise Agreement, plus a further 0.5% due to cost of meeting the market
7. Projected rate revenue increase as a result of Residential Growth is 0.5% in 2025/26 and 1% in 2026/27 and thereafter. The assumptions acknowledge Council's target population growth of 3.5% and this projected rate revenue growth should be reviewed on an annual basis
8. Efficiency savings to be delivered of \$500,000 in 2025/26, \$750,000 in 2026/27, \$1million in 2027/28 and thereafter (cumulative)

Capital Expenditure Program across the four-year horizon is as follows:

- 2024/25 - \$19.18 million
- 2025/26 - \$21.27 million
- 2026/27 - \$15.83 million
- 2027/28 - \$8.86 million

The program is funded by Council revenue, grants and transfers from reserve.

Social & Economic Assessment of Rating Strategy

Rates are an important part of Council's ability to fund and deliver essential community infrastructure and services, with an estimated 74% of Council's income coming from rates and statutory charges.

When setting the annual budget, Council balances the current needs and expectations of the community with future requirements. Council is focusing on the immediate affordability and quality of life for the residents within the municipality of Alice Springs, and for this to continue for the many years that follow.

To help set rates each year, Council considers the amount of revenue needed to fund services, programs and infrastructure projects to be delivered to activate the local environment and boost the liveability levels. External pressures and increased costs affected by inflation, the amount of income available from rates and the ability of its rate base to pay rates are also considered.

Annual rating strategies are derived from the Alice Springs Town Council's Long Term Financial Plan (LTFP) which includes the conditions proposed to achieve a financial sustainable future. In last financial year's budget, Council made the prudent decision to generally align the rating strategy of 7.5% with CPI at the time. Since then, CPI continues in a downward trend, albeit at a slower rate than expected, with the annual CPI for the Northern Territory sitting at 3.9% (4.1% for all capital cities) to December 2023. The rating strategy of 4.7% for this financial year aligns to the LTFP and contributes to an ongoing improvement in the operating position.

By setting this rate, Council is continuing to take a financially responsible position, building on the work from last year to future proof its ability to meet cash flow demands over the longer term and bring high quality services and infrastructure to the town. This rating strategy is complementary to optimising investment, realising operational efficiencies and embedding innovative practices as a broader financial policy position.

Council aims to lower the social and economic impact of its rating policy through:

- providing a subsidy to eligible pensioners of \$180 in addition to the rebate provided to them by the Northern Territory Government.
- considering the issues experienced by ratepayers suffering from financial hardship;
- allowing the payment of rates by four instalments;
- maintaining interest charged on overdue levies at 9%; and
- an early bird draw where ratepayers may receive a refund on their rates

Rates compared to Long-Term Financial Plan

Performances at the Diwali Night Market, November 2023

Rates & Waste Charges

For the 2024/25 financial year, Council will increase, the revenue from general rates and related minimum charges by 4.7% across all categories of ratepayers.

The total budgeted general rates and waste management charges income of \$33.5 million is summarised below.

A differential General Rate is levied on all rateable properties based on the Unimproved Capital Value (UCV) of the land falling within the town planning zones under the NT Planning Scheme as referred to in the *Planning Act 1999*.

Council has 15 rating groups, applying differential rates to each of these groups in accordance with the *Local Government Act 2019*. The purpose of the various rating groups is to ensure that each group makes a fair and equitable contribution to rates.

Waste Collection and Management Charges

For the 2024/25 financial year, Council will increase the revenue from annual waste collection and management charges by 4.7% across all categories of ratepayers.

Waste collection and management charges are based upon the type of service provided. Council charges a fixed amount for waste management and/or collection. Where an allotment of land consists of separate parts, or units that are adapted for separate occupation or use, the fee is multiplied by the number of separate parts or units on each allotment.

Waste collection and management charges, together with commercial waste disposal income, is used to meet the reasonable costs associated with the collection, disposal and recycling of waste, and funding for landfill restoration and replacement.

The annual waste collection and management charges for 2024/25 are listed below

Type and Description	Charge Per Annum / \$	Estimated Demand	Estimated Revenue 2024/25 \$
Waste Management Charges where no kerbside service is provided by Council.	81.37	451	36,698
Weekly Waste Collection Service (receptacle supplied by Council).	438.67	9,794	4,296,334
Additional Waste Collection Service (receptacle supplied by Council).	368.736	973	358,780
Waste Management Charge where alternative waste arrangements have been made.	81.37	891	72,501
