The Early Bird Draw has been conducted with 10 lucky ratepayers winning!

Alice Springs Mayor Matt Paterson and CEO Andrew Wilshire conducted the Rates Early Bird Draw on Tuesday 19 September 2023, giving residents the opportunity to win their rates back for FY22/23 (excluding waste management charges). The following people were drawn at random:

M W Gardiner

MP & NJ O'Neill

F Strachan

RR & DK Hutchins

M Fidler & AG & BJ Bail

L P Nish

S Thomas

M B Abraham

N Mathew & A Jacob

KL Wissing

These winners paid their full annual rates bill on or before 1 September 2023.

Winners were drawn in the Civic Centre Foyer from a barrel of 1,811 entries.

Congratulations to all winners!

Permit # TLP1156

Welcome from Cr Kim Hopper

Off the back of another productive Council Meeting in September we're heading full steam towards the end of the year. We are all acutely aware of the weather warming up and the Alice Springs Leisure and Aquatic Centre has been stepping up its holiday activity fun as well as planning for more free access over summer, fingers crossed!

Town has been a hive of activity with music and art events and the Desert Festival has again brought the joy to us across multiple venues including top notch interstate and local performances and the show stopping Bushfoods Gala Dinner will be a magical experience no doubt.

While we enjoy the buzz of activity we are also acutely aware of the sense of unease around recent fires in our municipality and preparedness for the months ahead. We passed a motion at our recent Ordinary Meeting to review the way the Todd and Charles Creek rivers are being managed in terms of weed mitigation and fuel load in the hope that we will identify some improvements and extra resources to manage Lhere Mparntwe.

In the meantime, Council officers are doing all they can to get the fuel load down and they have been doing a great job of mowing the river banks. I have noticed community volunteers stepping up their efforts to help protect trees in the river through 'buffel busting' and I encourage anyone that wants to get involved to seek out Landcare for volunteer opportunities.

Importantly this month sees further consultations happening on the Regeneration of the CBD, see www.regeneratingalicesc.com.au to have your say.

And last but not least celebrate the Referendum Day with Paul Kelly live in concert for the Masters Games 'Warm-Up' October 14 at Anzac Oval.

All the best for October and remember, your Elected Members are here as your voice so be sure to get in touch, call/email or attend a Council meeting if you have issues to raise.

Discover new talent on the Territory WorkerConnect platform

Are you looking for staff? You might just find your next superstar employee on the Territory WorkerConnect platform.

The WorkerConnect platform manages a community of people interested in working and living in the Territory. It connects jobseekers from outside the Territory with local employers and jobs that are available in the Territory.

If you are a Territory employer, you can upload and promote your job opportunities to job seekers for free. You can also search the talent pool for candidates that match your desired skills and experience.

Jobseekers can search for jobs across a number key industries and sign-up for job alerts, as well as upload their CV to the portal for free.

Watch the short video to see how the WorkerConnect platform can work for you.

Register today to connect with job seekers from around the world.

Alice Springs Councillors met on Tuesday 26 September 2023 for their monthly Ordinary Council Meeting. The following is a summary of some of the matters discussed. To see the full Council reports and minutes check out the ASTC website. A full video of the meeting is available on Council's Vimeo channel.

September Council meeting wrap up

Giving our parks a face lift

Council have significantly invested in creating brand new parks, but we're also giving our existing parks a face lift. We have approved upgrades to Finlayson and Oleander Park in FY23/24, meaning young people across the town will have brand new play equipment to explore!

We're also continuing our project to shade parks across the community, approving shade structures for Campbell Park and Grant Park. This helps protect kids from the harsh summer sun, and extends the life of our playground equipment.

Get ready for wheelie good news!

Kids of all ages in Alice Springs will soon have a permanent place to test out their skills on a bike with Frances Smith Park set for a massive facelift.

Central Australian Rough Riders (CARR) mountain bike club have been successful in receiving a Community Benefit Fund grant of \$250,000 to upgrade the park, complete with a sealed pump track. The upgrades will also feature elements for riders of all ages and skill levels, no matter whether you are riding a bike, skateboard or cruising on roller skates.

Council have entered into a Memorandum of Understanding with CARR for the upgrades of Frances Smith Park, and to help fast track the project we have allocated \$200,000 to it. The project will now move to a consultation phase, allowing members of the community to have their say. More information on this consultation will come out in due course.

Ensuring we aren't left in the dark

We understand the community has concerns around the safety of Gap Road, in particular the lack of adequate street lighting in particular areas. This does create hazards at night, both for drivers and pedestrians.

While Council aren't in control of street lighting across Alice Springs, we still have a responsibility to make sure your concerns are heard by the right people. That is why we are writing to both Power and Water Corporation and the Department for Infrastructure, Planning and Logistics to get a better understanding of what is being done to improve lighting and safety along Gap Road.

Caring for our cultural icons

The Todd and Charles Rivers are iconic symbols of Central Australia, home to rich culture and sacred stories. A range of organisations across the region have important roles to play in protecting these sites, with these responsibilities set out in the Lhere Mparntwe Management Strategy (LMMS). The LMMS sets out key performance indicators for organisations, and paints a picture of how everyone can work together in the best interest of these rivers.

Since being published in 2019, the LMMS has not had a formal assessment be conducted. With that in mind, Council have requested a formal review of performance against all KPIs set out in the Lhere Mparntwe Management Strategy, including recommendations for improvement. It's important to get a better understanding of how the LMMS is working, and where improvements can be made.

Lighting our sporting carparks

Upgrading security lighting through sporting complex carparks in Alice Springs is a priority of the Sports Facility Advisory Committee. This helps ensure people can get to their cars safely at any time during the day or night, no matter what time they finish playing their sport.

Council understands the need for residents and visitors to feel safe and secure in our town to fully experience the benefits of living in Alice Springs. With that in mind, lighting will be installed in the following carparks:

- Hockey fields
- Basketball stadium/tennis courts
- Behind the AFL offices at TIO Traeger Park
- TIO Traeger Park and Alice Springs Aquatic and Leisure Centre
- Netball Complex
- Ross Park
- Jim McConville Oval

In a special ceremony conducted by Alice Springs Mayor Matt Paterson and ASTC CEO Andrew Wilshire, people from across the globe received citizenship on 15 September at the Civic Centre. The ceremony included a formal introduction, speeches, an address to participants, the pledge of commitment and the National Anthem.

Conferees were from a diverse range of countries such as the Philippines, India, Pakistan, Kenya, South Africa, Bangladesh, South Korea, Colombia, United Kingdom, Canada, Ireland, Uruguay, Germany, Taiwan and Italy.

The ceremony was held in conjunction with Australian Citizenship Day, an occasion for everyone in Australia to reflect on the importance of Australian citizenship and the roles and responsibilities we have as citizens.

“One of the most special things we do as a Council are our Citizenship Ceremonies, they truly reflect what is so incredible about our community,” Mayor Matt Paterson said.

“With life being so incredibly busy, it’s easy to take being an Australian for granted. Seeing the smiles on the conferees’ faces reminds us of how lucky we are to live in one of the most amazing places on Earth, where people from all cultures come together in unison.

“It’s an honour to share such a special moment with our new Australians, congratulations to everyone that received Citizenship!”

Farewelling Telly Ociones

Since commencing in 1996, Telly has organised 108 Citizenship Ceremonies. Thank you Telly for your hardwork and dedication to making these Citizenship Ceremonies so special.

The Alice Springs community welcomed 33 new Australians in September during the Citizenship Day Ceremony

Mayoral Awards

Nominate a local disability champion today!

Do you know someone with a disability that has done exceptional things in the community? Maybe you know someone that deserves to be acknowledged for their work for disability communities? Now is your chance to give them the recognition they deserve!

Nominations for the 2023 Alice Springs Mayoral Awards are now open. The Alice Springs Mayoral Awards are celebrated in line with the International Day of People with a Disability to highlight the contributions made by individuals with disability and by individuals for disability communities.

The aim of the Alice Springs Mayoral Awards is to highlight, acknowledge and give thanks to the people in the community who 'make a difference' demonstrated either in their own lives or through their actions and commitment to others.

"International Day of People with a Disability is an important day on our calendar, and it's a great

opportunity to acknowledge the work of so many incredible people in our community," Mayor Matt Paterson said.

"The Mayoral Awards is a fitting way to recognise some of this important work, so I encourage you to nominate friends, family or members of the community."

There are three award categories in 2023, the Champion Award, the Noteworthy Award and the Michele Castagna Medal.

Nominations for the award close on 3 November and you can nominate someone by filling out a simple online form. To nominate someone for an award, or to see the full Mayoral Award nominations guide, visit

<https://alicesprings.nt.gov.au/about-alice-springs/council-events/mayoral-awards>

Paul Kelly

REGISTER TO RUN

alicespringsmastersgames.com.au/warm-up

Legendary music icon Paul Kelly is heading to Alice Springs this October to headline an exciting new event, The Warm-Up

Kelly, who wowed the crowds at the Red Hot Summer Tour in Darwin in May, is keen to return to the Territory, and will rock the Red Centre at ANZAC Oval on 14 October, 2023.

His performance will complete a program of activity for The Warm-Up, which will celebrate one-year-out from the return of the 2024 Alice Springs Masters Games.

As well as a concert by Kelly, one of Australia's most popular musicians, attendees can watch or take part in The Red Centre Mile. The collaboration with the Alice Springs Running and Walking Club will be open to competitive and non-competitive runners.

The Warm-Up will give the Alice Springs community the chance to celebrate the region's love of music, sport and community spirit, and build excitement towards the return of the ASMG from 12-19 October, 2024.

The event will also mark the day registrations for ASMG 2024 open, and activities will

include a hub for Red Centre sports clubs to promote their sport and engage with visitors.

The Warm-Up and the ASMG 2024 will be delivered by Northern Territory Major Events Company.

Expressions of Interest for sports to participate in the ASMG 2024 are open now.

Commemorating Aboriginal Culture in Alice Springs - Men, Women and Children -

Expression of Interest (EOI) Public Artist Commission

Alice Springs Town Council invites artists (individuals or in groups) who have a connection to Alice Springs/Mparntwe, to submit an Expression of Interest (EOI) for the development of a series of statues of Traditional Men and Women of Arrernte to celebrate Aboriginal people and culture within Central Australia.

In calling for Expressions of Interest, Council notes that support is available to emerging artists who may not have completed submissions for similar projects.

Empowering the Future: Alice Springs Town Council's Youth Education Bursary Program

We know that education plays a vital role in the lives of young people, and financial constraints should never be a barrier to learning. Recognizing this, Alice Springs Town Council is proud to run the Youth Education Bursary Program.

Assisting young and enthusiastic individuals aged between 16-25, this program is designed to offer financial support to those who aspire to further their studies. The bursary eases the monetary burden of study, enabling more young Centralians to pursue their dreams.

With the aid of this bursary, recipients gain not just a chance at higher education but also the opportunity to develop their potential, empower themselves, and contribute positively to the growth and prosperity of Alice Springs.

Nominees for the bursary must:

- be aged 16 – 25 years;
- be a resident of Alice Springs;
- be currently studying or plans to under-take further study at an Australian University, TAFE or at an Alice Springs based secondary school;
- meet the academic performance and financial need requirements;
- not be a recipient of another concurrent school grant.

Applications for the Youth Education Bursary Program are now open and close on Wednesday 15 November at 5pm.

You can nominate online by visiting

<https://astc.smartygrants.com.au/TertiaryBursaryScholarship2023-2024>

Successful nominees will be notified by end of December 2023, with payment made once a recipient has been accepted into university or TAFE.
