

Skate park closure

Thursday, 20 May 2021

The Alice Springs skatepark has been closed effective immediately.

Alice Springs Town Council are aware of safety concerns from the public, in particular the slippery nature of the surface.

“Concerns over the surface of our skate park have been brought to our attention, so we have made the decision to close the park to users at this time,” Director Technical Services Scott Allen said.

“The safety of our residents is paramount and this decision has been made with that in mind.

“The park will remain closed until we feel any safety concerns have been adequately addressed.”

Council are currently in the process of obtaining quotes for an independent assessor to inspect the park.
